

English Country Dance 2015

Parking in Oak Park

Due to major construction, parking for the Oak Park dances is a bit challenging, so please allow yourself a little more time and patience. Below are parking options within a few blocks of the 19th Century Club.

19th Century Club - Surface Lot

The spaces remaining in this lot are available, unless reserved for staff or handicapped parking (see signs).

Grace Episcopal Church (924 Lake Street) - Surface Lot

Though the lot immediately west of the church is now a private lot, the church is graciously allowing our dancers to park there free of charge on dance nights. This lot is half a block south and half a block east of the 19th Century Club.
