

# CHICAGO AREA FOLK DANCE SCENE

## 2016-2017

This printable directory is prepared with the hope that all those interested in participating in traditional dancing can find types that suit their abilities, locations and schedules, and that group leaders can make this list available dancers who might be seeking additional types of dancing to try. The groups in the day-by-day listings welcome newcomers. In some cases fees are waived for first-timers.

The "other ongoing" list is a mix of classes and performance groups. The most recent date when information was confirmed is given at the end of each listing. The editor cannot guarantee that the listing is up to date, so it is advisable to call or email to verify times and locations of all events.
